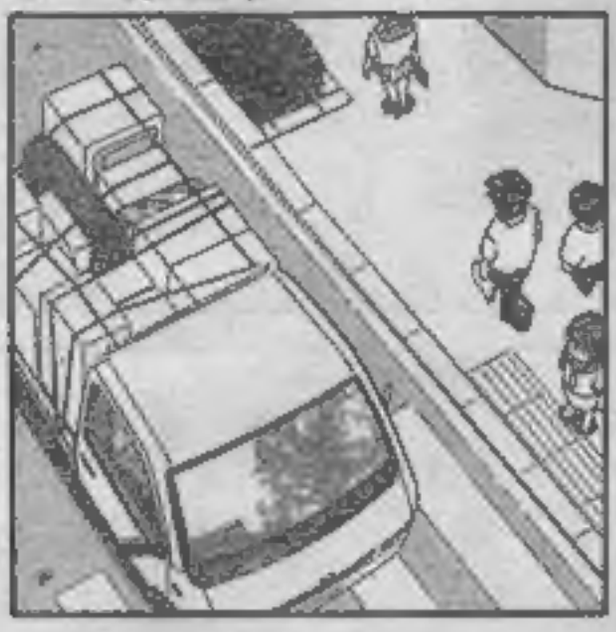
We're almost there...

whoah

Wow!!
Yotsuba.

There's a lot of houses here daddy!
Awe-some
Sure is. There are stores too.
Stores too!?



Whoah!!
So many people!

That's a school.
Speaking of which, summer vacation starts tomorrow.
Is there a festival today!?

That girl waved at me!
You wave too daddy!
Daddy can't take his hands off the wheel right now, so you can do his share of the waving for him.

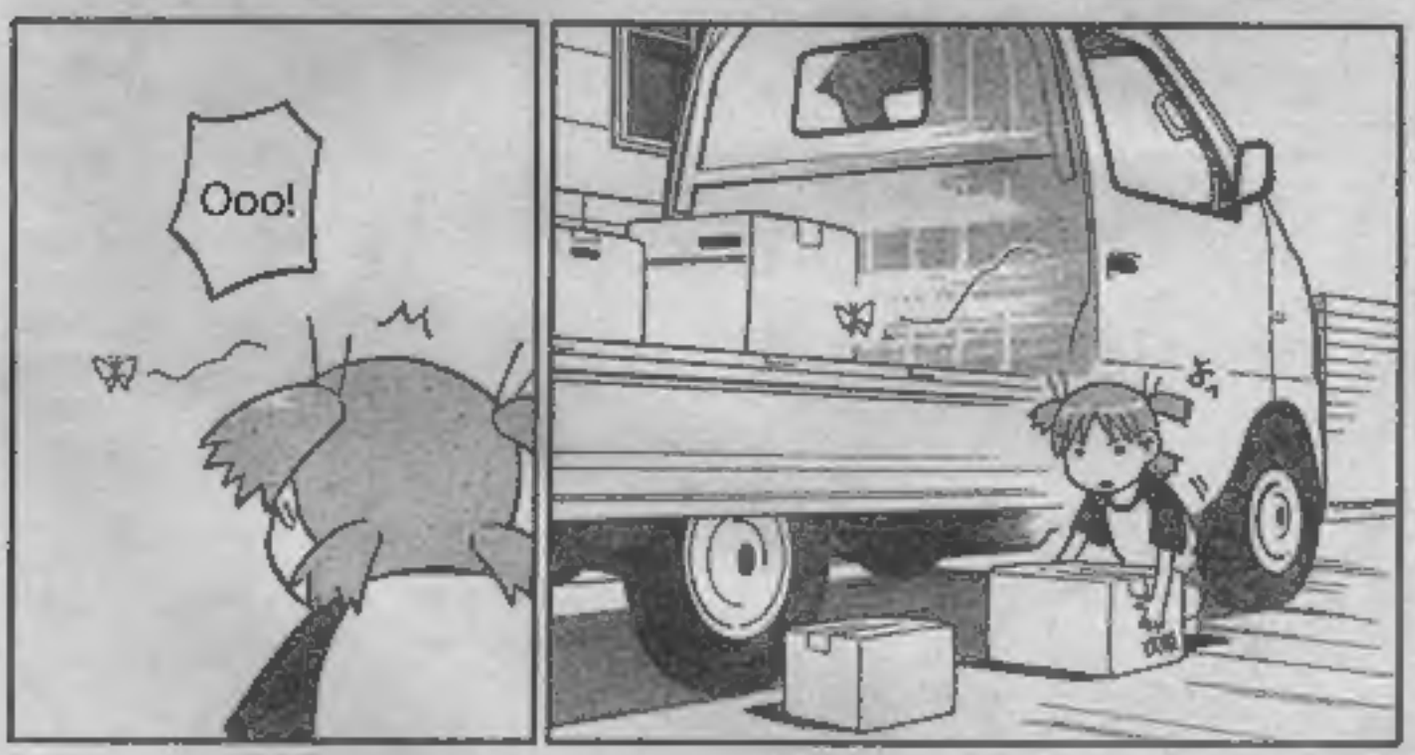
Don't lean out the window so much, it's dangerous.

What do you mean where? This is your -
We're here? Where?
Look, we're here.
Ah!!
It's Jumbo!!

ばー
ウー
Hey.
Yo.
ばーん
Heeeey Yotsuba.
Jumbo!! Long time no see!!

What about Yanda? He not here yet?
Yeah, he said he had to take care of something so he couldn't make it.
We can't rely on him.
How ya been doin'?
uwa~ Stop it~
No way! I won't work like that.
Come on...
I'll help!!
You've gotten bigger since the last time I saw you Jumbo!
Hah. Where did you remember that phrase from?
Ah well. I guess Jumbo will have to act as two people.
Alright! That's great, Yotsuba!
Can't depend on daddy!!
We can't depend on your dad huh!

You can leave that right there.



Ooo!

Hey, have you gotten the greeting gifts for the neighborhood yet?
I feel like I'm getting weaker.. My hand is shaking..
Well I'll go get some stuff then. You stay here and clean up.
Good thinkin'
Oh yeah better do that
She's gone.
.....
By the way, where's Yotsuba?
Don't base it on your personal preference neither
I like pudding.
Don't bring back something weird.

We
when she
gets hungry
she'll come
back.
Alright

I wonder where I can throw this away.

Hello!
Are you by chance the person that's moving into this house?
Yes? That's me.
I thought so!
Yeah, do
Do you want to throw away that cardboard?
It's a pleasure to meet you.
I live right next door. We're the Ayase residence
No no, the pleasure is all mine
Ah see
Do you see that net by the telephone pole over there?
That's where you throw it away.
Uh huh
Cardboard is thrown away on recycle day.
...which is Tuesday

Yes?
That's right.
You're a senior in high school right?
Furthermore, burnable trash is picked up on Mondays and Thursdays. Non-burnable trash is on Saturdays.
If there's ever something else you don't understand, please don't hesitate to ask.
.....
Oh, nothing.
I was just thinking of how "together" you are.
Please cheer up.
Yeah sorry.
It's a lot more than when I was in high school.
and even now actually.
What?! Oh no!
So will you be living here by yourself?
Oh, no, my little girl will be with me.
though she disappeared somewhere a while ago.

Would you like me to look for her?
No! That's ok.
This always happens, no need to worry about it
Oh.
really?
Well,
I'm heading back out for a little bit so.
I'll be sure to keep an eye out for a girl that seems lost
Thanks.
If you see a girl that makes you think...
"It's a weirdo!"
That's probably her
Ok.

It was here when I woke up!

I'm very pleased!
It's another bad picture but I can tell she tried hard!

I'm gonna go thank her!
Yeah you're right!
Then you be sure to thank her

Ah

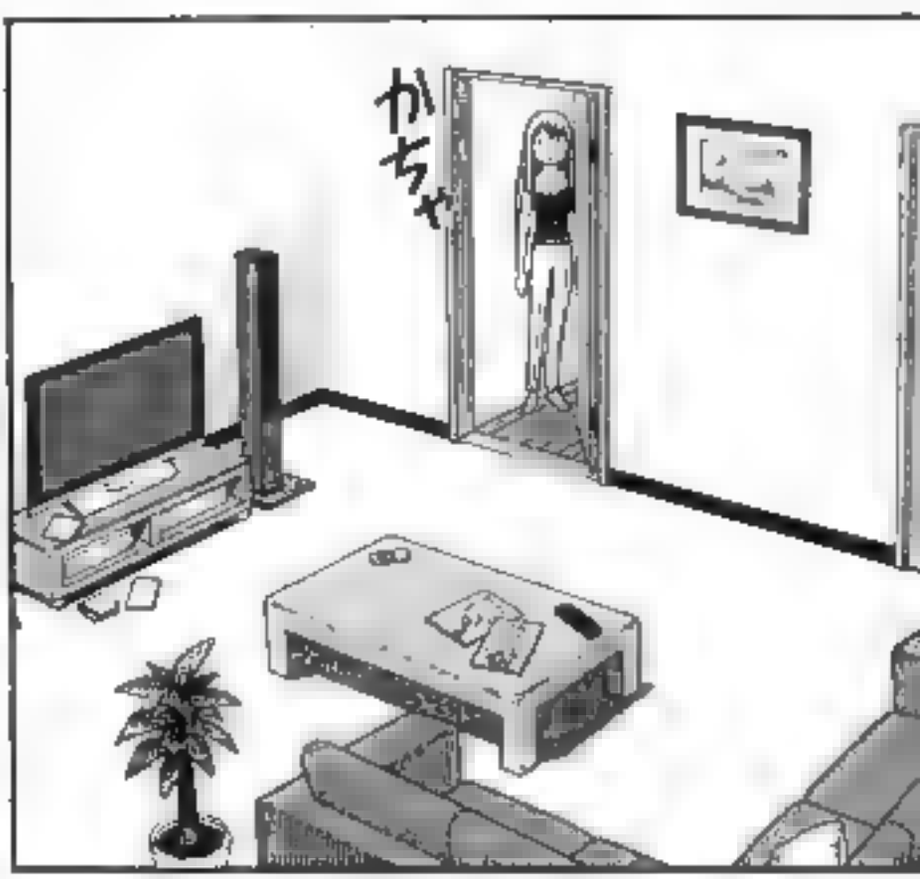
I have
something
I need to
tell Fuuka!
So what
are you up
to today?
Got some-
thing to do?

What a funny k d.
..Then what should I do?
Wha?

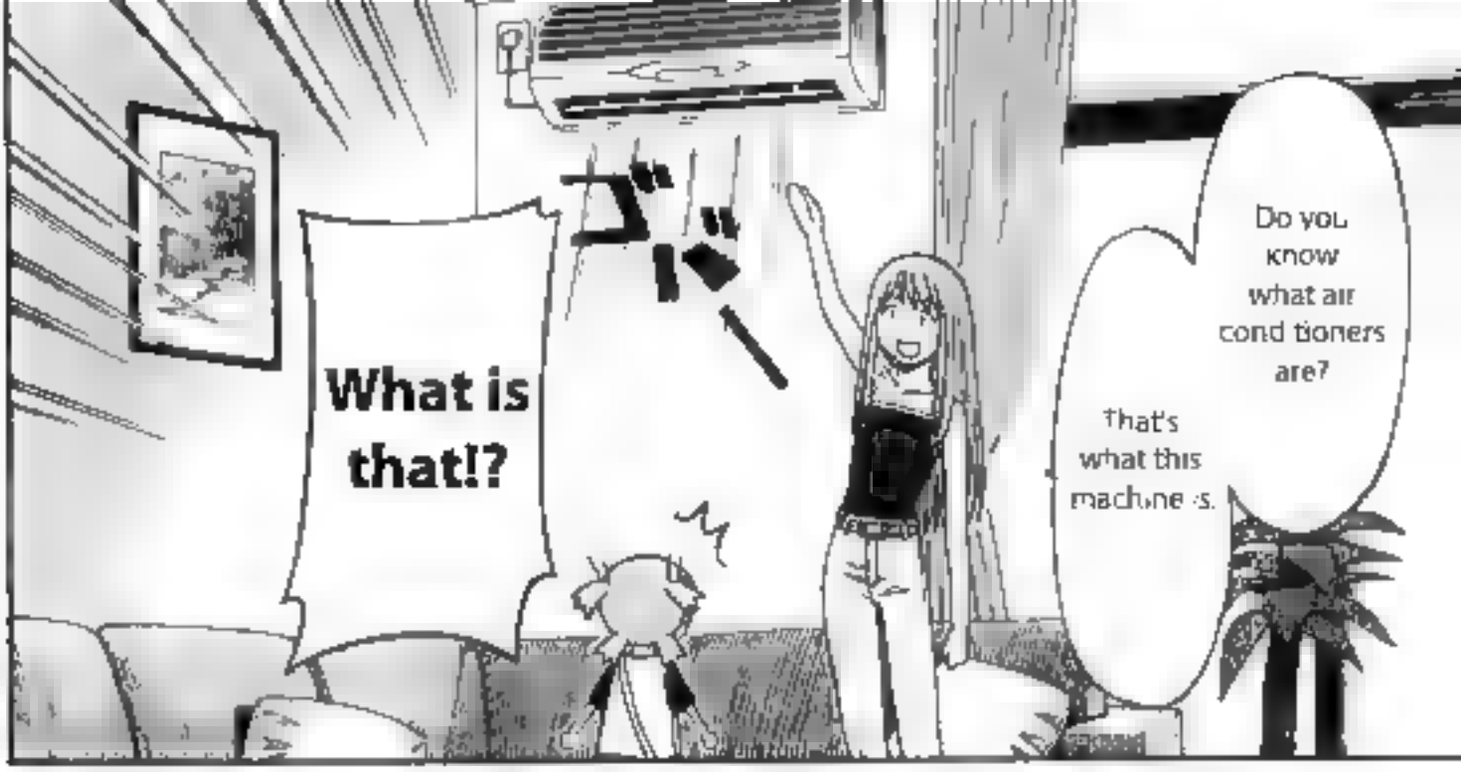
Well for the time being do you want to come inside?
Cause it's hot out here.

Make yourself comfortable.
Oo.?



かちゃ

This room is freezing!!
!?
!?
Is it winter in here!?
Freezing? Is the AC set too high for you?
That bad huh? Are you sensitive to the cold or something?
It's just right!
Wait a minute
.....



What is that!?
Do you know what air cond tioners are?
That's what this machine is.

An air condi-tioner
What is this thing!?

Here.
Oooo!! There's a cold wind coming out!!

It can't do that
Can it make ice cream!?

Ooo awe-some!
It's a machine that keeps you cool even in the summer

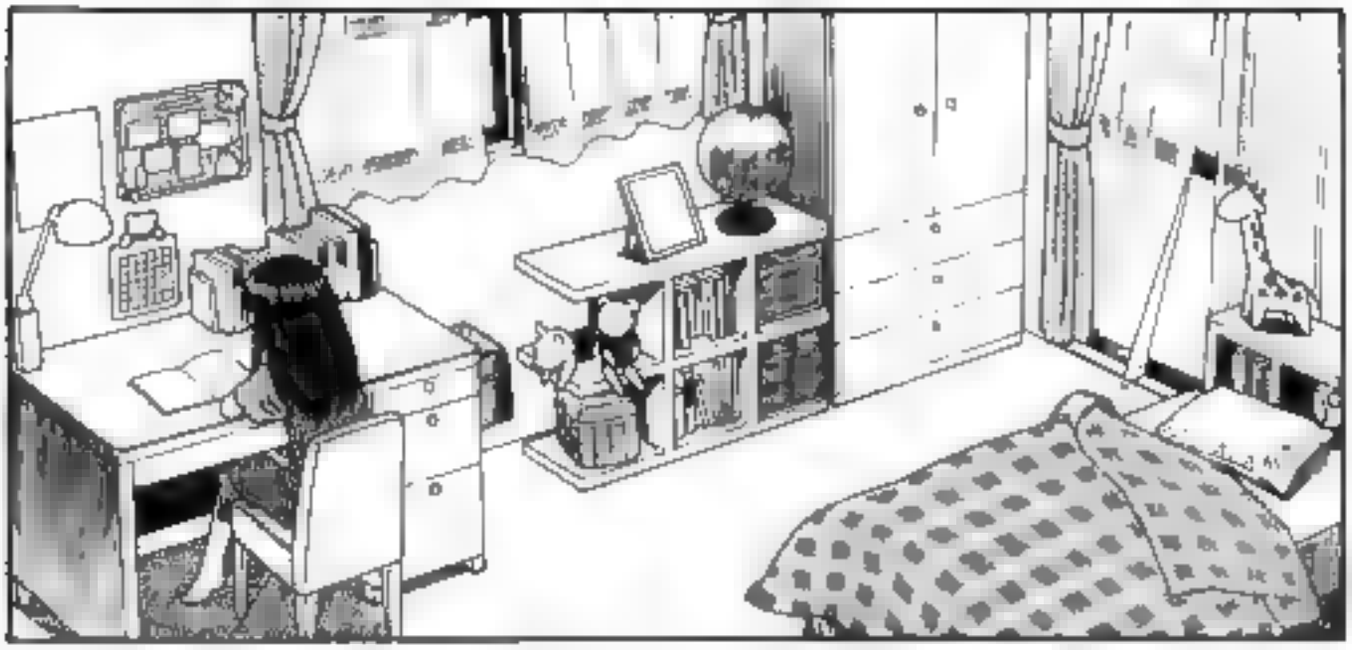
I wanted to thank her.
what did you want to tell Fuuka?
So,
Thank?
Ahhh
See! She drew this picture for me!
Yotsuba-chan

She sure is bad at drawing.
Yup!

That's very nice of you.
But I've still come to thank her!

She's upstairs right now. Why don't you go play with her?
Oh, the small one.
Yeah, remember from before? It was me, Fuuka, and one other girl

Ena?
Speaking of drawing, Ena is really good.



Who s that?
Eeee
naaa

hmm..

きょろ

What s up?

Ena-
がちゃ
!?
Yotsuba-chan.

!?
Umm... Asagi said that you were...
good at drawing and...
What is it?
Yeah
Do you know about air condi-tioners!?
This room is hot!
Well... try not to use the air conditioner as much as possible.
But it's hot in here!
There's one in this room too.
See
You're right!

Globawar...?
Do you know what global warming is?
but very generally speaking...
I don't really know all the specifics of it,
Right.
Global warming
That's global warming.
It turns into a very serious problem.
Then the polar ice caps melt and our islands sink into the water
When you use air conditioners, the Earth becomes hot.

Well, that's sort of..
They're enemies of the Earth!?
Air conditioners are bad!?
.....
hehe..
But on a really hot day I'll use it
And that's why, try not to use the air conditioner as much as possible.
N-
No!
Hey wait, you don't have an air conditioner in your house?
..At least, don't think he would..
.....
Hmm, see.
He wouldn't have anything like an air conditioner!!
Because daddy's a good guy!!
Yotsuba-chan!?

ダダダダ!!
Daddy!!
Oh
The air conditioner!
Daddy!! Does this house have an air conditioner!?
What is it?
It was because Grandpa hated them.
Grandma didn't have one in her house huh.
ガチャ

Ta-da!!
But we have one in OUR house!!

There's one in the bedroom and upstairs too.

Huh!?
I've misjudged you daddy!!

What!?
Global warming!!

What do you mean mis-judged!?
U...

Huh?

Asagi too.
Ah

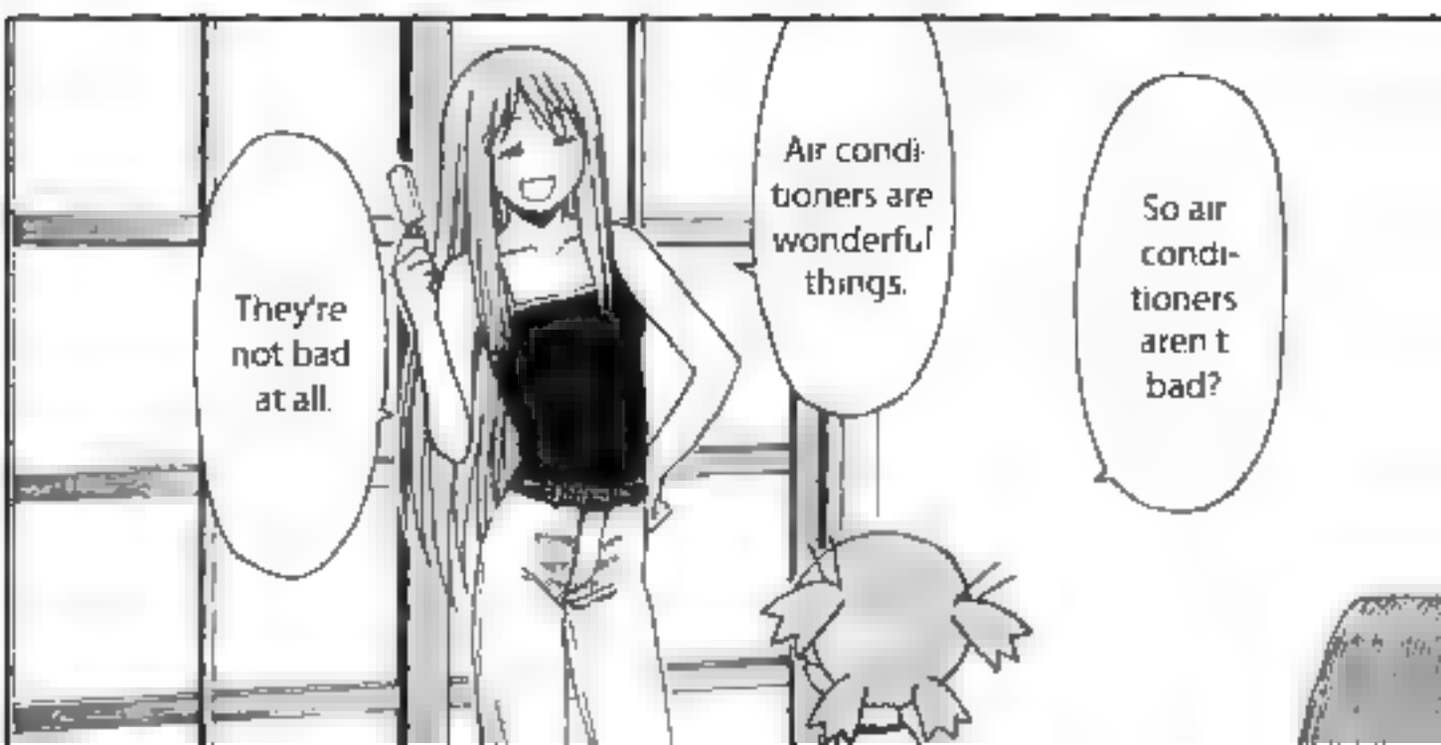
You're an enemy of the Earth!!

hmmm
Ena...
The Earth's gonna get hot!!
Huh?
we use air condi-tioners to coo it down.
Which is why
!

Cool
It's not hot right?
This room is nice and cool right?

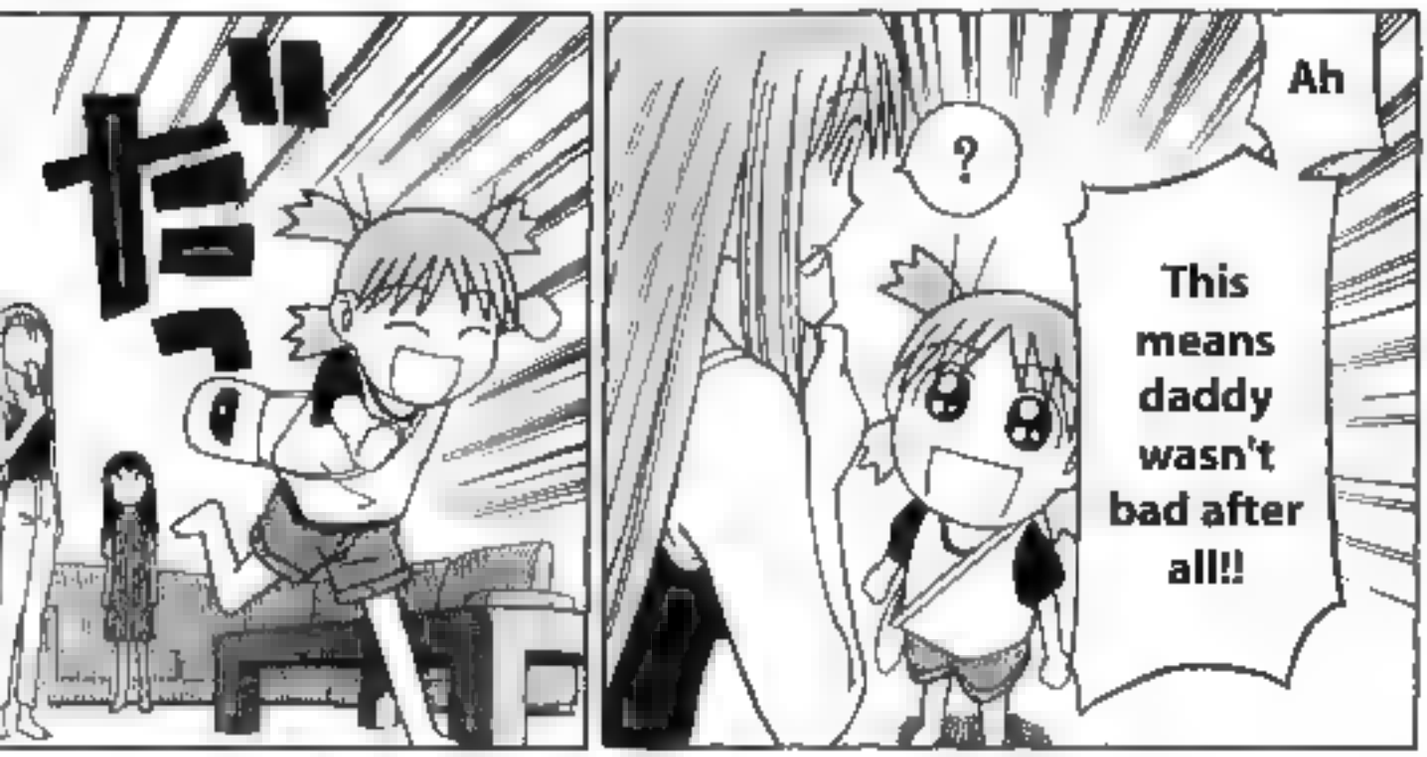
.....

Right?



They're not bad at all.
Air conditioners are wonderful things.
So air conditioners aren t bad?

You little ditz.
Aha haha
I was a bit mis-taken!!



?
Ah
This means daddy wasn't bad after all!!

Busy girl.

What!?
This room is hot. Turn on that air conditioner.
Daddy!!
I've formed a better opinion of you daddy.
Air conditioners are great huh!

We just need to take this over there and have them fill out a few things on it
Hmm

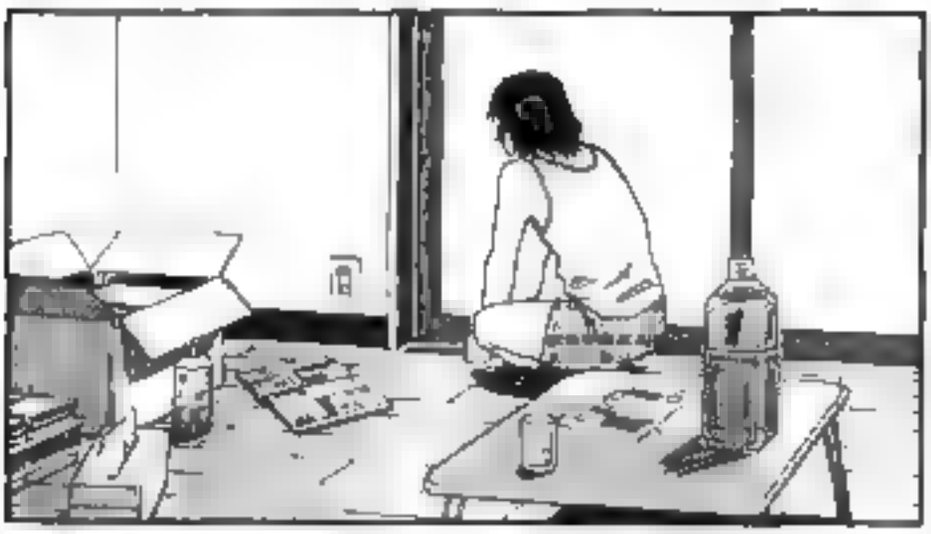
Sure.
Ahaha stop exaggerating.
I'll go right now.
Ahh, it was such a blessing to give birth to you Fuuka.
But Asag- was a mistake

I'll never forgive her
That girl ate my popsicle yesterday



What do you mean, again?
What are you doing daddy?
Playing around again?

I'm measuring to see how wide of a curtain I need for this room
Hmm
Hold on to the end of this, and be patient.
What is this? Some kind of game?
Don't let go.
Don't let go.
Ok!
Don't let go ok?
Ok!

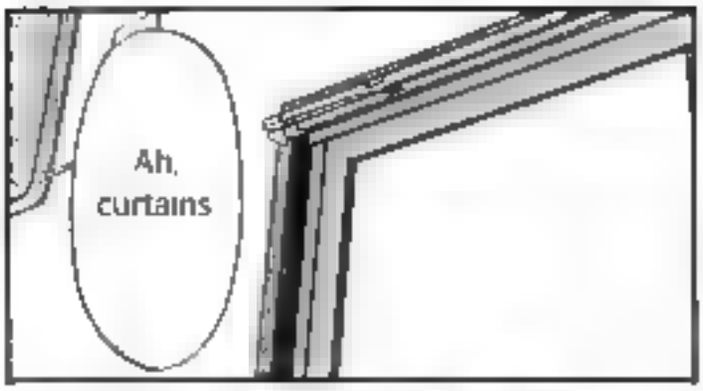
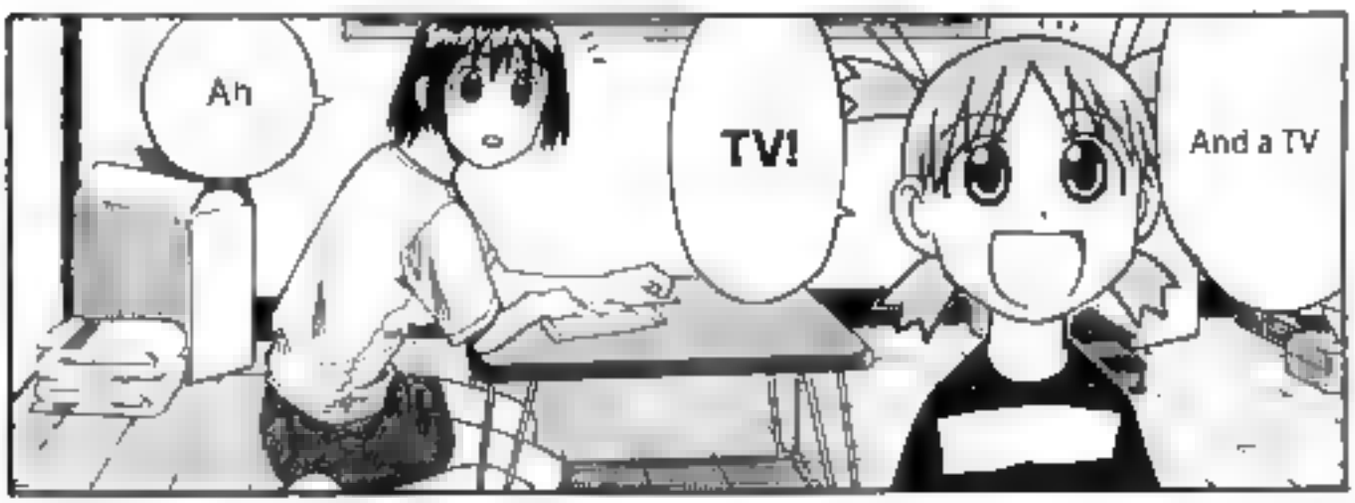
The neighborhood association forms are going around.
Put your name and address there...
WAA!!



Ah, curtains

Oh, and a washing machine
Hmm...
Yeah. We also need a bath mat

(He got mad.)



Ah
TV!
And a TV

as it's a bit old, but if you want it...
We were thinking of just recycling it.

The TV?
We just bought a new one.
Would you want it?
If you need a TV, we have an extra one lying around.

Will you give us ice cream too!?
Sure, if we have some.
How kind!!
That would help out a lot.
Hear that Yotsuba, she's giving us a TV!
Aren't you lucky.
ding dong
Would you like to go get it now?
It's ready whenever you are.

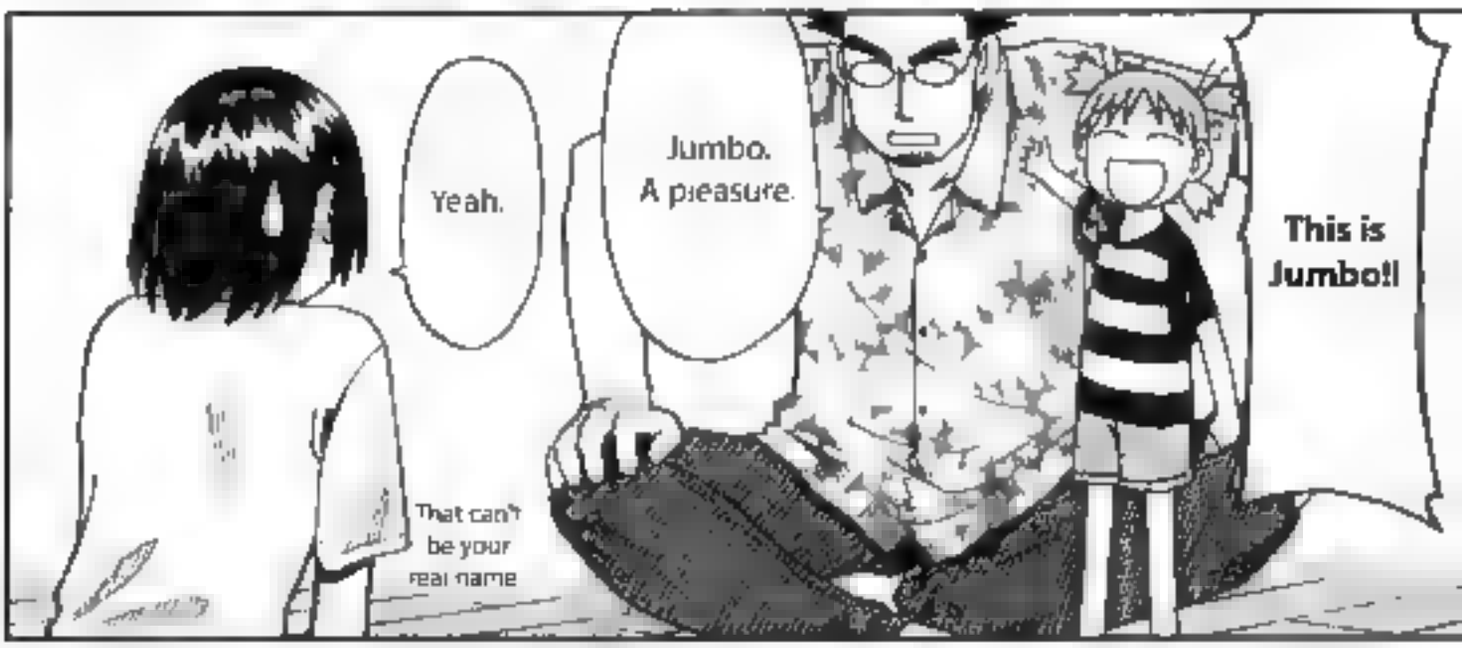
ding dong
Ah!
What did that mean again!?
ガチャ
Oh yeah! Jumbo!
It's Jumbo!!

Wha..
Yo. Yanda said it was too hot for him to come.
He sucks.
Jumbo is here!!
You're huge!!

A bishou-jo!!
UWA!!
He-Hello.
Hmm?
This isn't a crime!!
Hey come here!! You criminal.
Calm down!!
UFO discovery!!
How old are you?
I'm 16.
Note: "UFO Discovery!" is like saying "Holy Crap!"

Leave my pants out of this!!
You're not impress-ing any one!!
Ah!!
Why are you wearing those pants!?
Good luck to both of you!!
What is th-s?
JAS
What!? You want some!?
hoaa!!
choaa!!

Ayase Fuuka. Nice to meet you.
This is Fuuka!!
Ah, so you're Yotsuba's friend.



Yeah.
That can't be your real name
Jumbo. A pleasure.
This is Jumbo!!

Not bimyonyo, bishoujo.
What's a bimyonyo?

YAA!!
Becoming friends with a bishoujo like her
is really something

Oooo!
...t means "pretty girl."
Ahaha hahaha
?
Fuuka, he said you're pretty!!
Oh-
I'll take a car then.
I can't give you that
Is he kidding around?
And we were just about to go to Bishoujo Fuuka-chan's house so she can give us a TV

I'd like a car please

My father's ancestors were giraffes
How did you get like that!?
Huh!?
Oh! You're joking!

You're huge!!

Oh?
I was thinking of giving our old TV to Yotsuba-chan's family
Ah, sure. sure.
It only gets in the way here
Sure You can even come everyday
I can come over to play!?
You become good friends with my girls ok?
That's right!
How cute! You must be Yotsuba-chan!
I'd like some ice cream please!!
Alright.
She said I could come every-day!!
That's great. Be sure to thank her.
Yeah

I- I'm so sorry!
Follow me.
We're fine. we're fine.
Aren't we a little off balance!?
Let's carry this together
If this is it, Jumbo can get it by himse
Here it s.

You're huge!!
You guys...
Hello.
This is my big sister, Asagi.
They're taking that TV off our hands.
He's one of Yotsuba-chan's friends.
.....
That's so plain...
Takeda Takashi.
This is Jumbo-san

Not really! Because being naked is ok for me too!
It must be hard trying to find clothes your size.
Yes! Be well!
Thank you for getting the TV
Alright then.
Relax. You were the same as always
Did I say something weird!?
Oh man! I got nervous!

Note: Bijo is short for Bishoujo.

Note: Shoujo by itself means just a girl. Adding Bi to the front makes it pretty girl.

Note: It's bad luck in Japan if you don't throw salt on your door step after "beggars" have been in your house.

キー
...s that good?
Yup.
Hello.
Ena~
Ah, it's Ena!
You're huge!!

GAOO
Ah
I- I'm sorry. You're very big...
Sorry
You idiot.
Jumbo isn't scary!
It's OK!

Note: Giraffes don't make a gao sound...-)

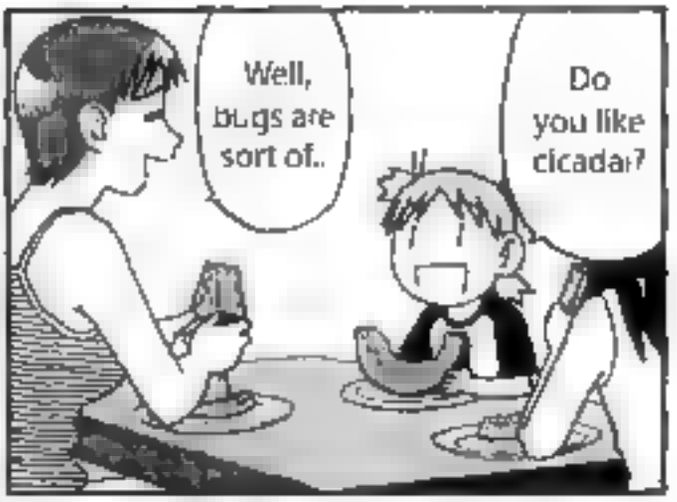
Translation by Momotato

Another blistering hot day.
But since there's wind today it's not too bad.

You're not using the air conditioner?
No need to.
Costs too much.
Global..
Swarming
With the window open we can hear the cicada.
And the wind chime too.
..It all gives a nice summer feel.

Yeah, I guess they're ok.
I like them!!



Well, bugs are sort of..
Do you like cicadas?

Alright.
Gochi-sou-sama!!

Look at her go.

Cicada hunting!!
Let's go, Enai!
Huh? Go where?
But I've never been cicada hunting before.
I'll teach you all about it.
That's ok.

Ah
It's Jumbo's truck!!
ガチャ!
ばーん
ばっ
SUZUKI

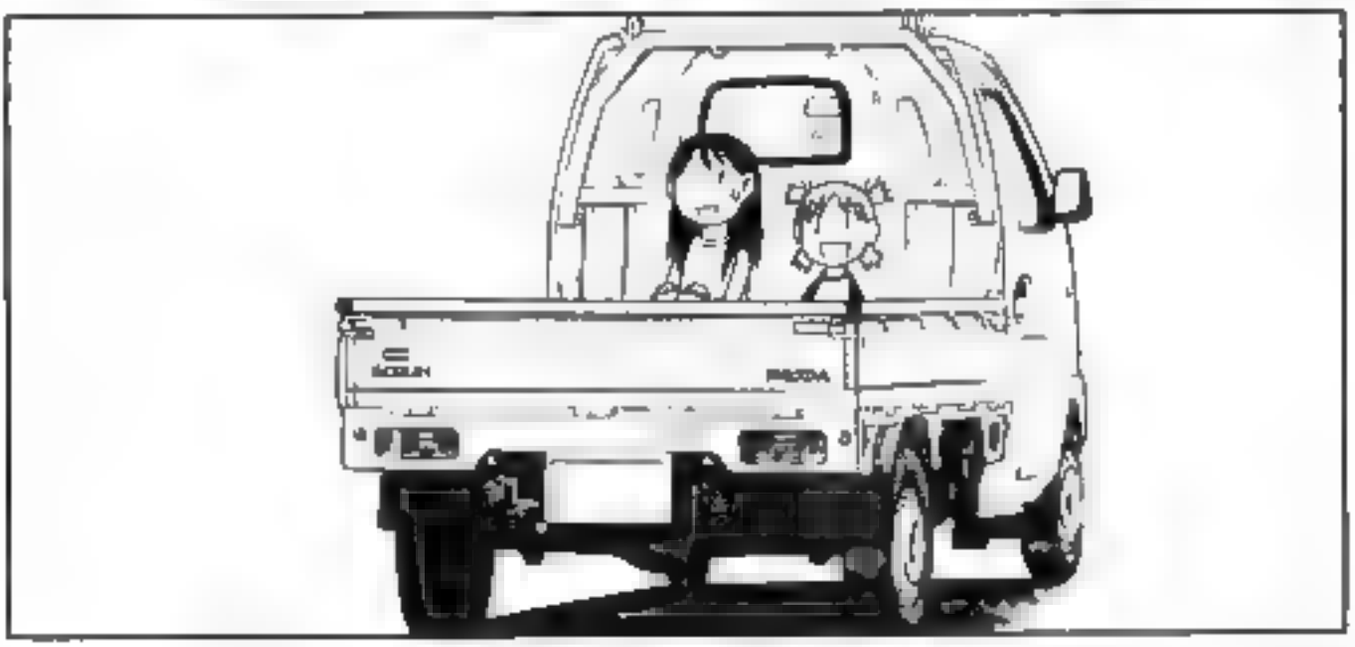
..cicada hunt?
Cicada hunt!!
Do something about it for me!!
Then what will you do?
I don't know.
.....
Where will you hunt?
I don't have any of that.
What about your bug net and basket?
Hah
This girl doesn't know how to speak to adults.

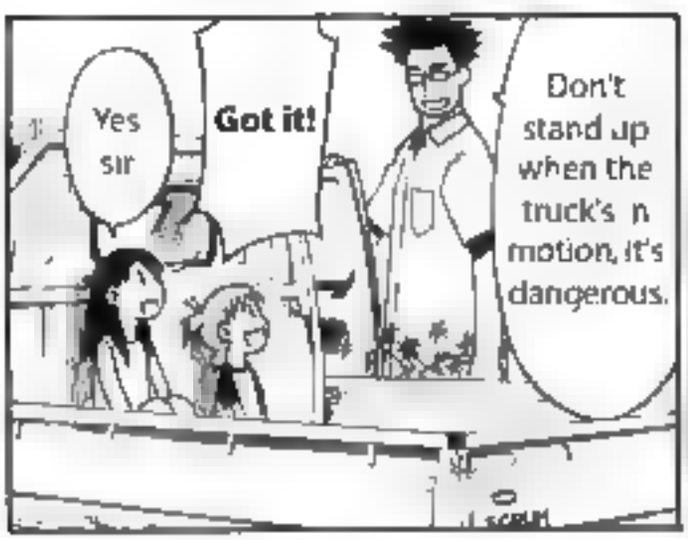
Note: Shrines always have a lot of big and tall trees near them. Cicada love big and tall trees.

I'm gonna ride in the back!!
Alright! Let's take a ride in my truck!!

Ooooh I've been there before!!
Oh yeah, the one on the hill.

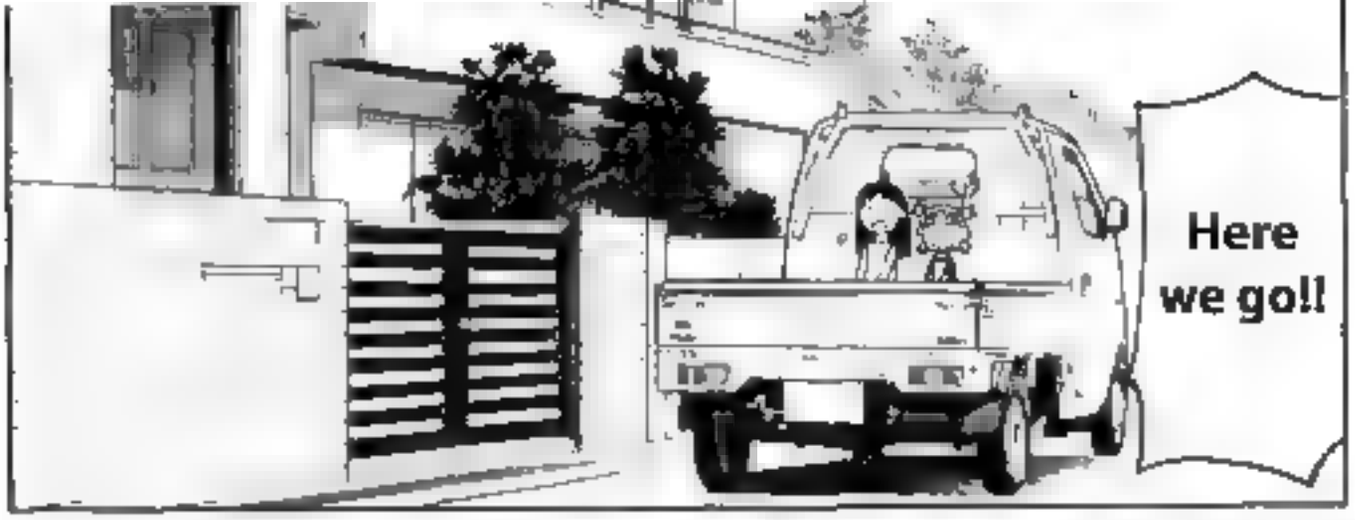
You're a rich man!!
I'll buy some nets and a basket on the way



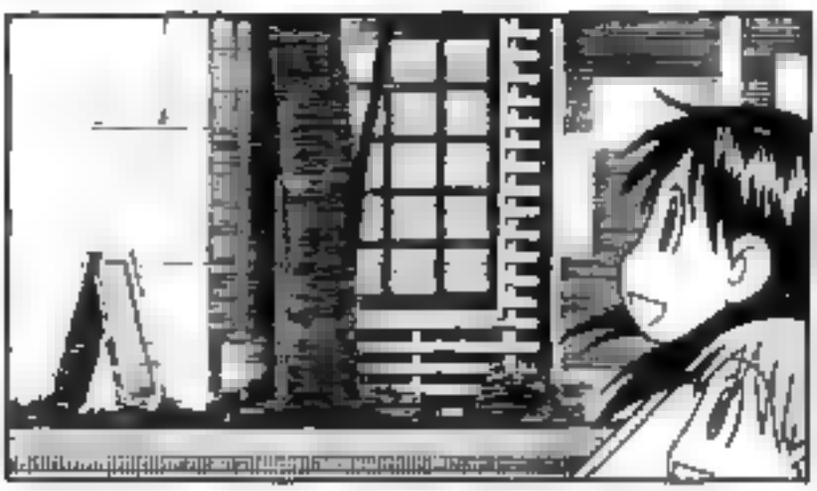


Yes sir
Got it!
Don't stand up when the truck's in motion, it's dangerous.

It's fun.
This is the first time I've rode in the back of a truck.



Here we go!!



It's like a completely different town when you look from here.
Sure is.
This is fun~
キッ
UWAAAI!!
ば

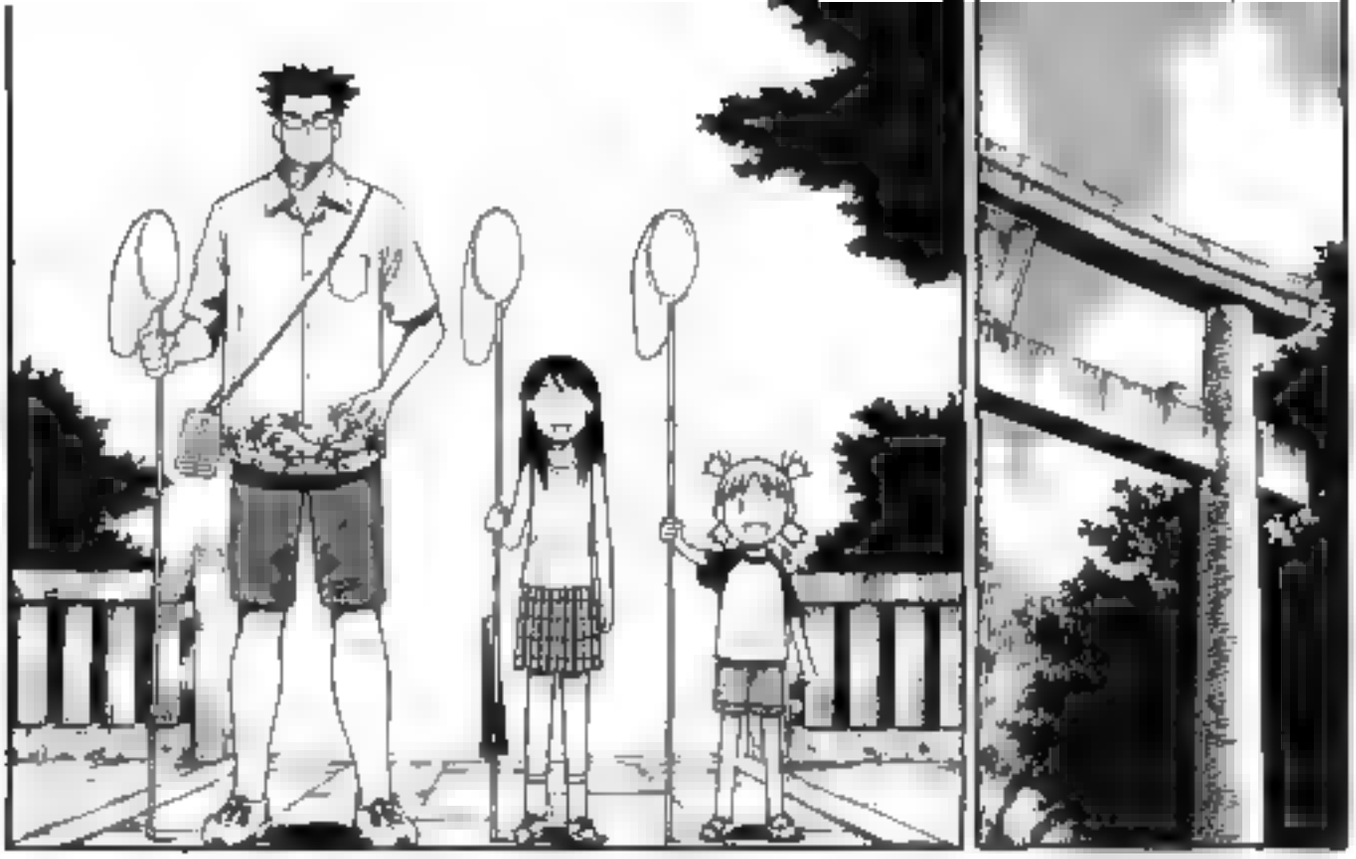
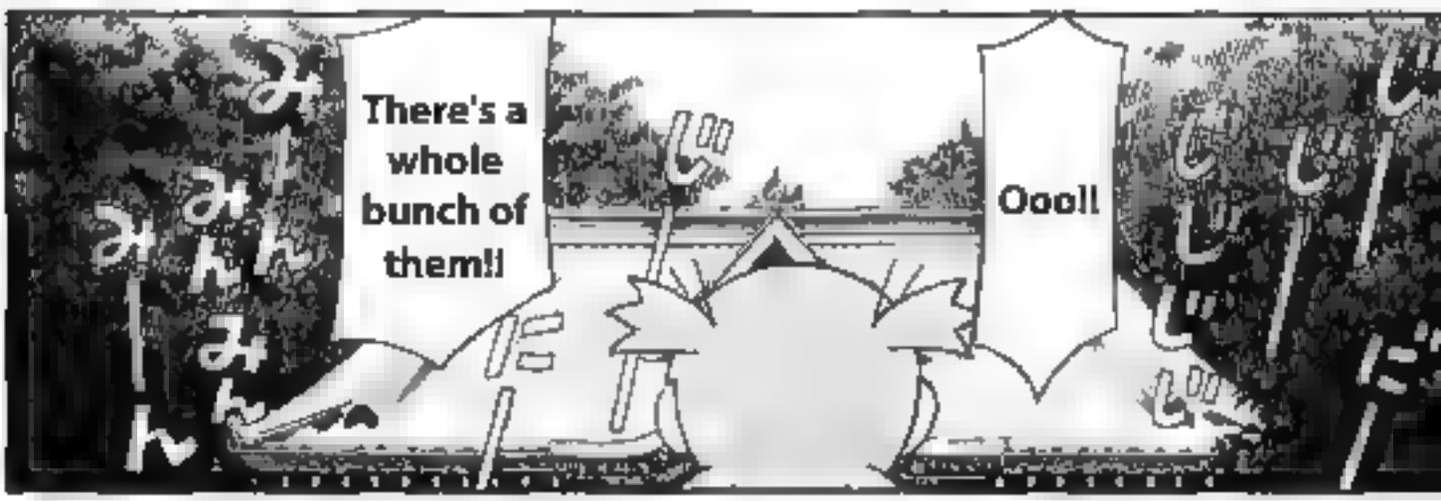
!?





There's a whole bunch of them!!
Oooh!!

Roger

Roger
Ah
Ena!!

Ok! First let's just have a free-for-all!!

きょろ

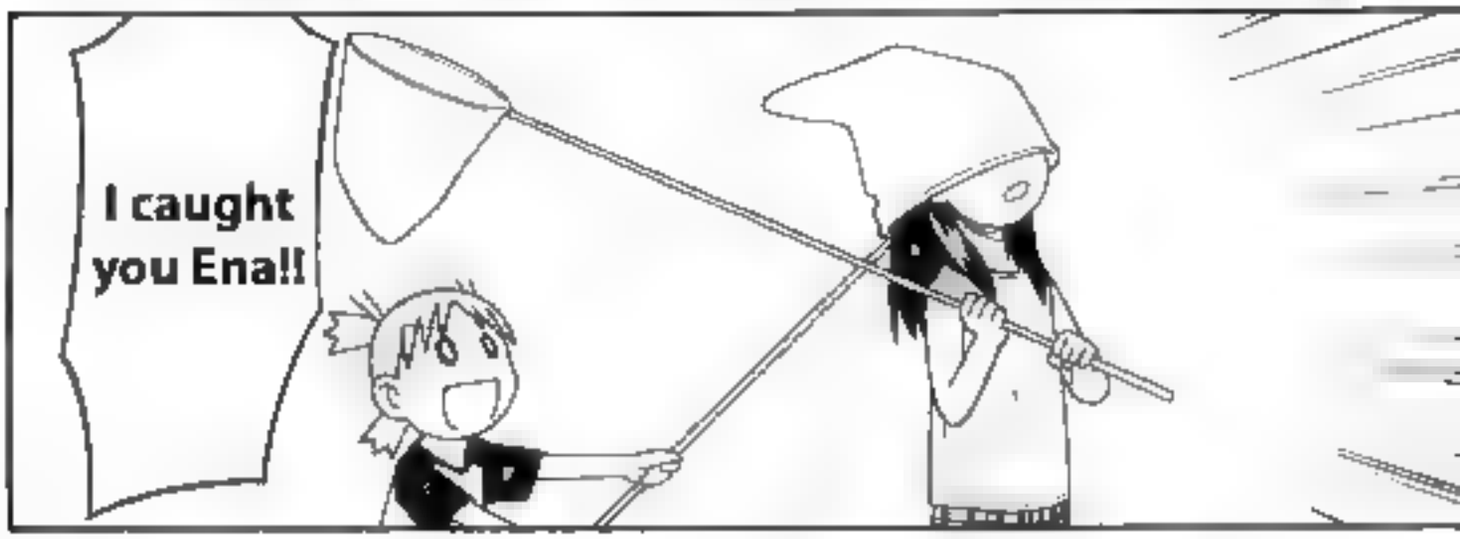
Aww, he flew away
I wonder why.

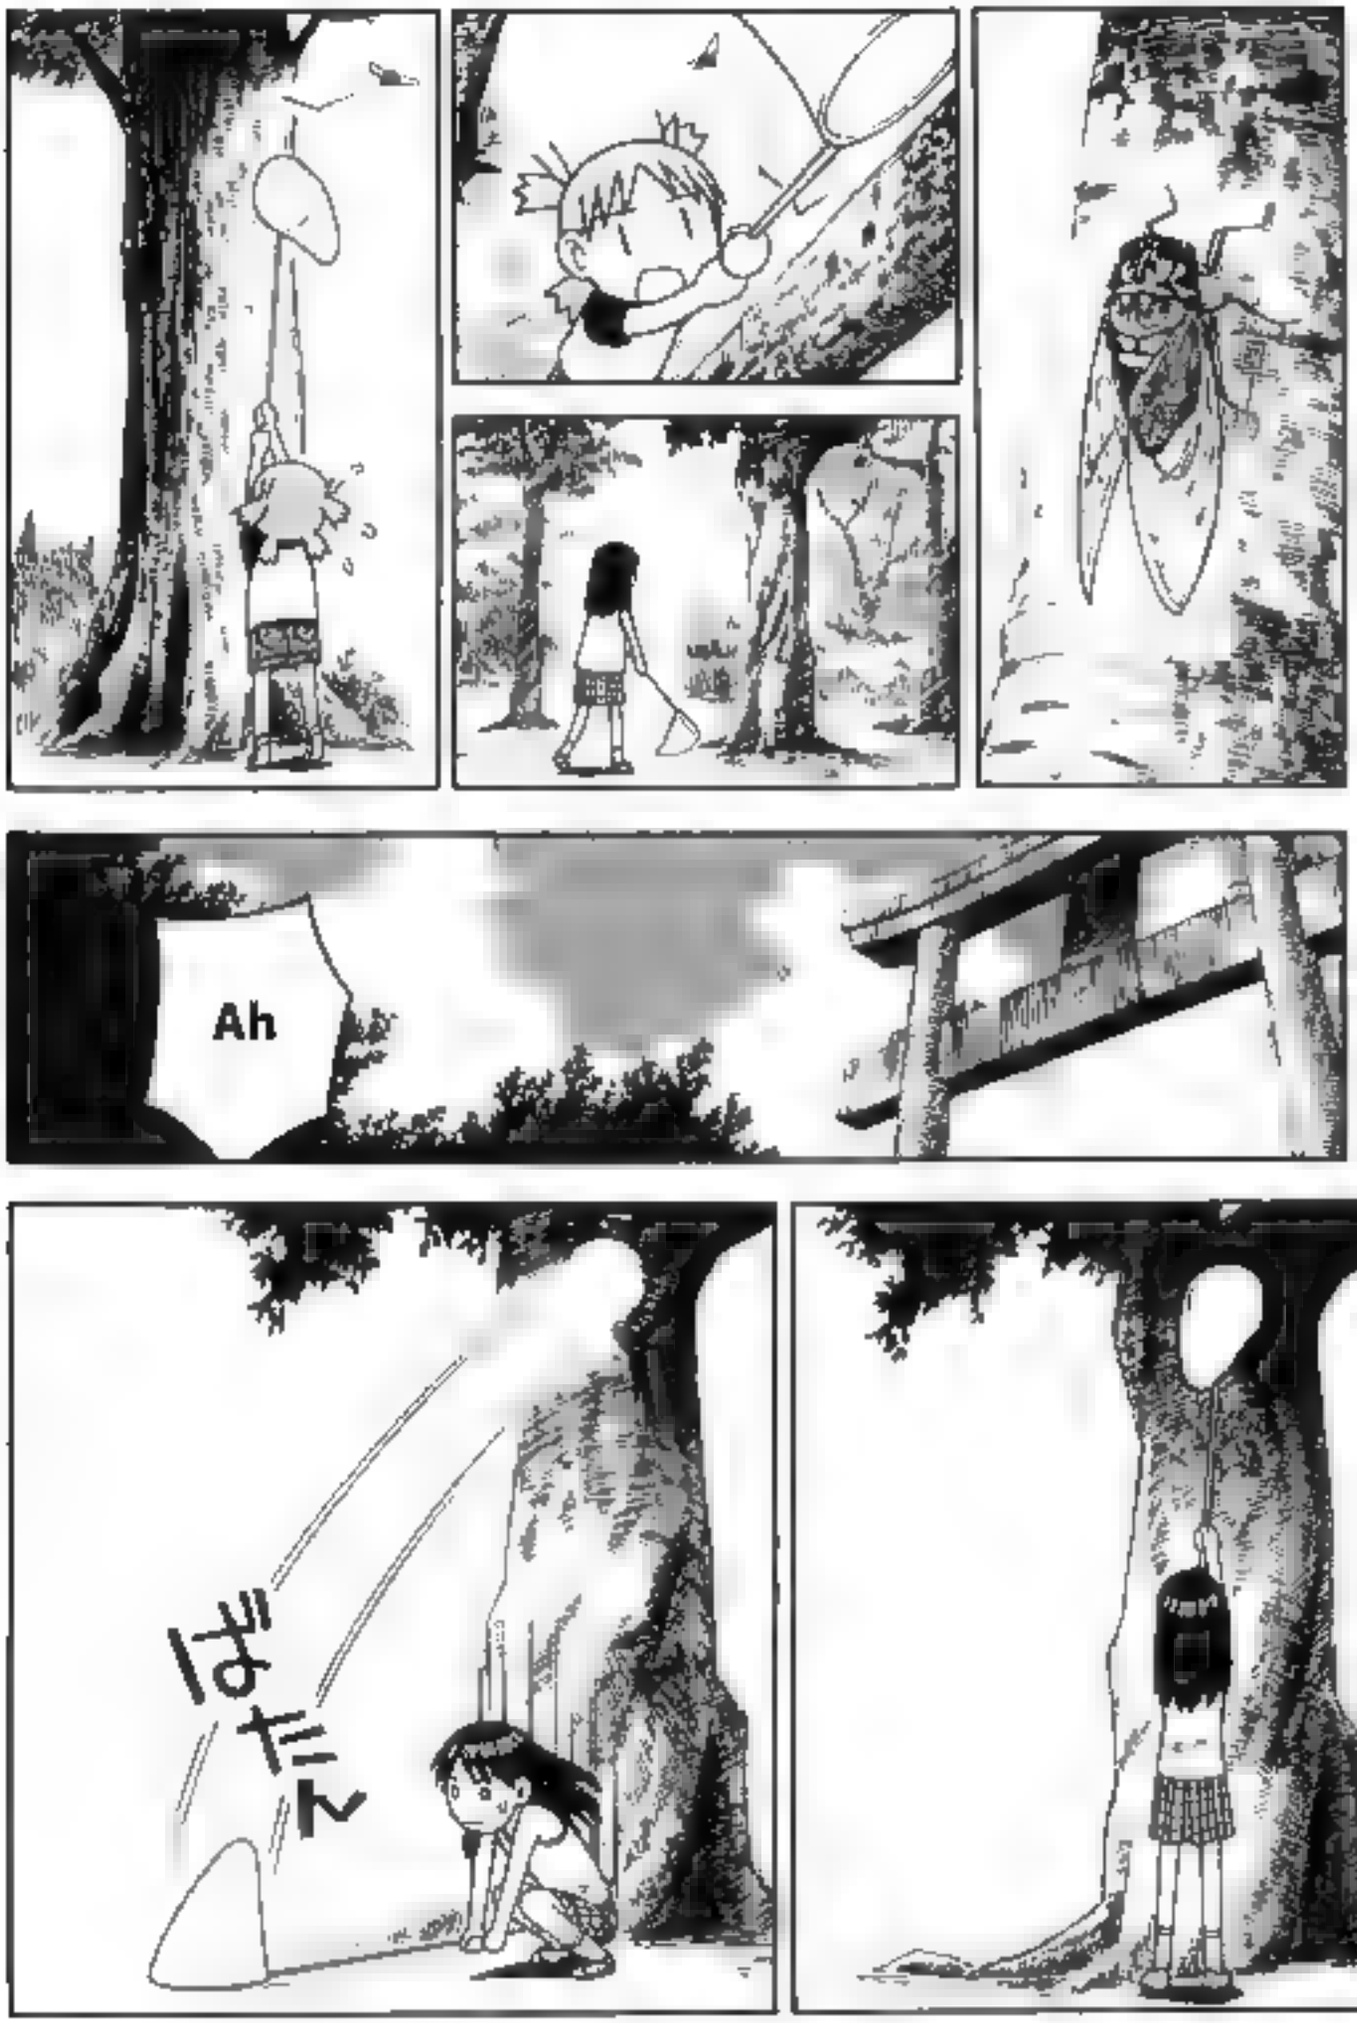


I caught you Ena!!

じー
じー

Please take this seriously.
Alright.

ばーん
だだだ
Calm down, Yotsuba.
Wait.
ばーん
Right. Right.
Gotcha!
So wait until it's buzzing a lot before you try and catch it.
If it stops buzzing as you approach, that means it's looking out for you.
Listen, when you're going up to them, hide your net.
Their eyes are really good.

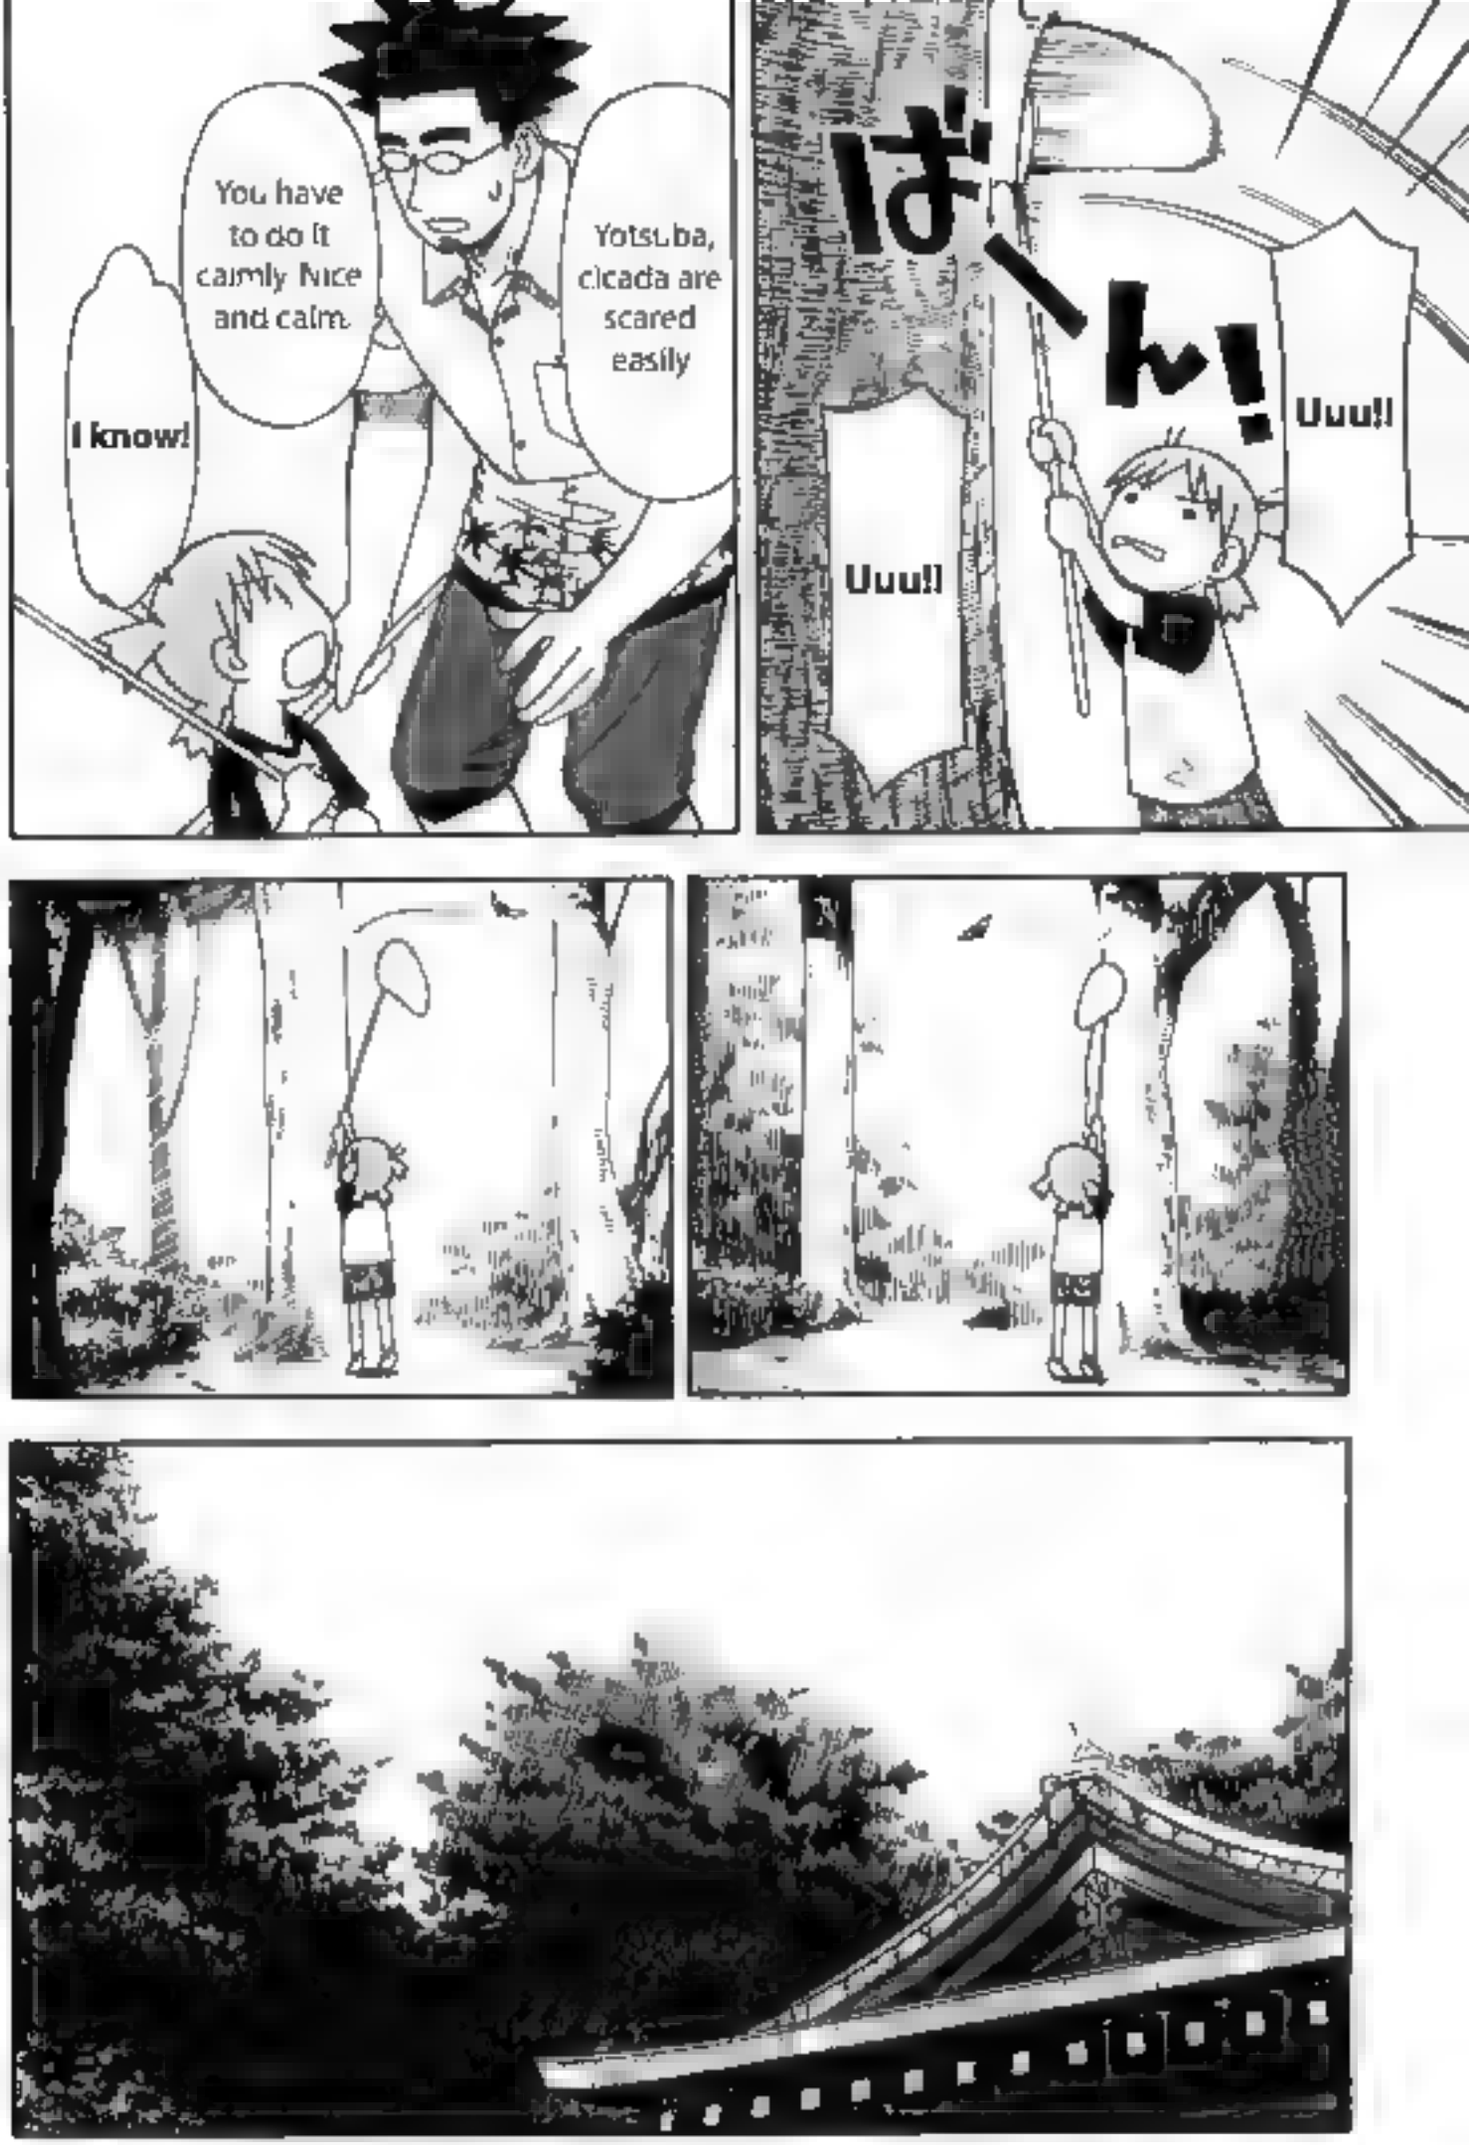


Ah
ばたん

I got it!
I cau- I caught one!!
!?
Oooo, congratulations.
That's a big brown cicada.

This is the first time I've ever caught a cicada
Wanna hold it?
How should hold it?

I'm going to catch one too!!



You have to do it calmly. Nice and calm.
Yotsuba, cicada are scared easily
I know!
ばー
h!
Uuu!!
Uuu!!

I can't do it...

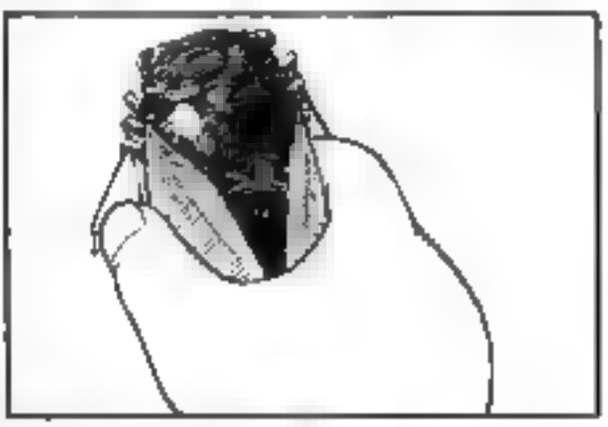
Ok, let's use a special technique then!
Yeah you're really small so...
AHHHH!!
They all go so high.

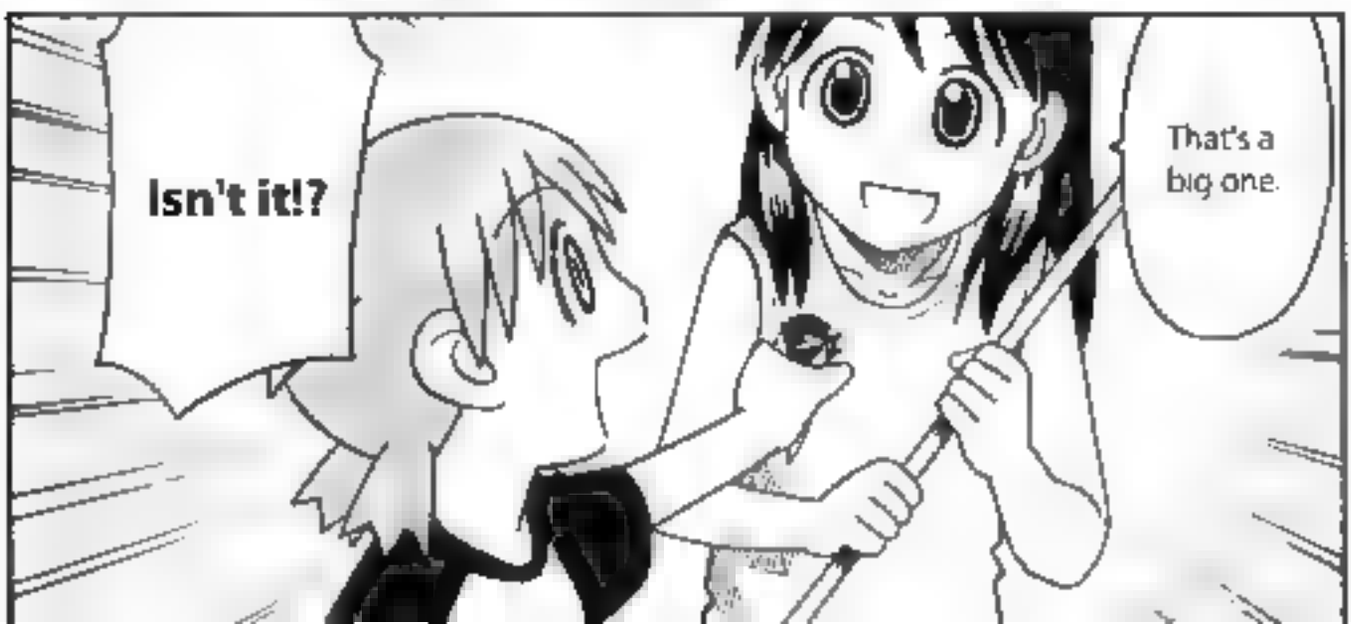
Now I can catch them!!
Ouww
Oooo!! Tall!!
COM-BINE!!
Nice and steady Jumbo!
H A A A !

What's wrong!? Does your stomach hurt!?
AHHH!!
You're cute
Yes! Third one!

ギ
ギッ
I caught one!!

Here's the cicada I caught!!





Isn't it!?
That's a big one.

We'll show them!
So what should we do with all these?
You caught a lot Jumbo!!
Oooo!!
That's a kuma cicada! That's the only one of those we caught today!
it's the biggest there is.
I wonder.
It'll make her happy.
We'll show them to mom!
Mom?
Mom! We caught cicada!!
Ah, Yotsuba-chan
and Jumbo-san too, welcome.

Note: The kuma in kuma cicada signifies that it's really big. Kuma means bear, but in this case it's referring to the size of a bear, which is why didn't put "bear cicada." And "huge cicada" would sound too generic after already using "big brown" earlier so just left it as kuma.

Hey what about your mom Yotsuba-chan?
Mom? My mom?
Wha!?
Oh, she was an abandoned child so she doesn't have a mom.
Um...
I'm- I'm so sorry!
Here we go again. Ena you take everything too seriously.

You're serious!?
Huh!?
I'm so sorry!!
?
Jumbo-san is always joking around.
?
ぱか
I sure did!! Look!!
Oh, welcome back. Did you catch any cicada?
What's going on over here?
Ah

じじじじー

There's so many!!
Catching cicada was one of my strong points when I was younger!!

What's all the commotion out here?
Who caught all of these!?
Cicada..
The cicada..
Whoah! What's with all the cicada!?
She did!!

じ〜じ〜
み〜
みんみん

Don't do that!!

This is the one I caught.
Here it is!! This one!!
Stop
Stooop!!

Mom, this is a kuma cicada.
Gotcha
Yes! Yes!
Are you happy?
YAY!!

And then,
I know!
Wow, you caught a kuma one huh? That's great
I caught a kuma cicada. It was huge
"bya!!" "pa!!"
I was like "kou!" and "sha!"
Sit down and eat.
And that was it
I see
Then Jumbo took all the cicada back to the shrine
And [redacted] was really happy!
After that we went cicada hunting in Ena's house.

I had a blast!!
Yeah
Sounds like you had a good time then.
Ok.
More please.

Are you sure you can?
Daddy can't do anything right now.
I'll do it myself.

That would be nice!!
Want to do it together?
.....

Is your dad out?
No, he's working. And he said he was really busy.
ピンポーン
Why am I handling someone else's laundry?..
Oh, so he's here

Note: Honyakuka means translator. I left it untranslated to preserve the joke on the following pages.

Welcome back
ただいま

Yup! That's my job!
Good for you!
You know how to fold clothes!?

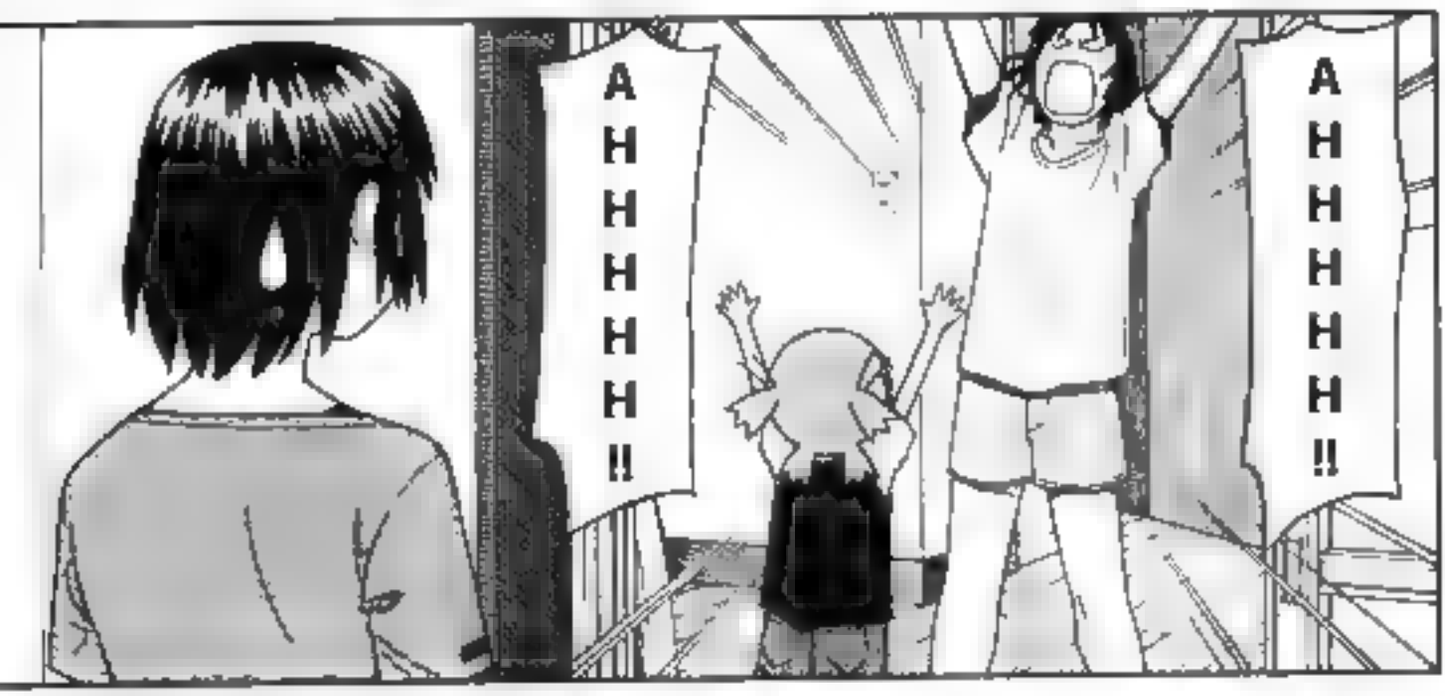
Oooh I can fold them!
These need to be folded before you put them up.

Kon ..
Huh?
Um

Oh yeah! Daddy's job.
Hm?

Note: A konnyakuya is someone who makes konnyaku. Search konnyaku in Google for more info.

as how I'm feeling about work right now.
Ooo
AHHHHH!!



AHHHHH!!
AHHHHH!!

in my pants?
Huh? Is there some-thing..

Oh...
It looks like it's going to rain so we were bringing the clothes in!!

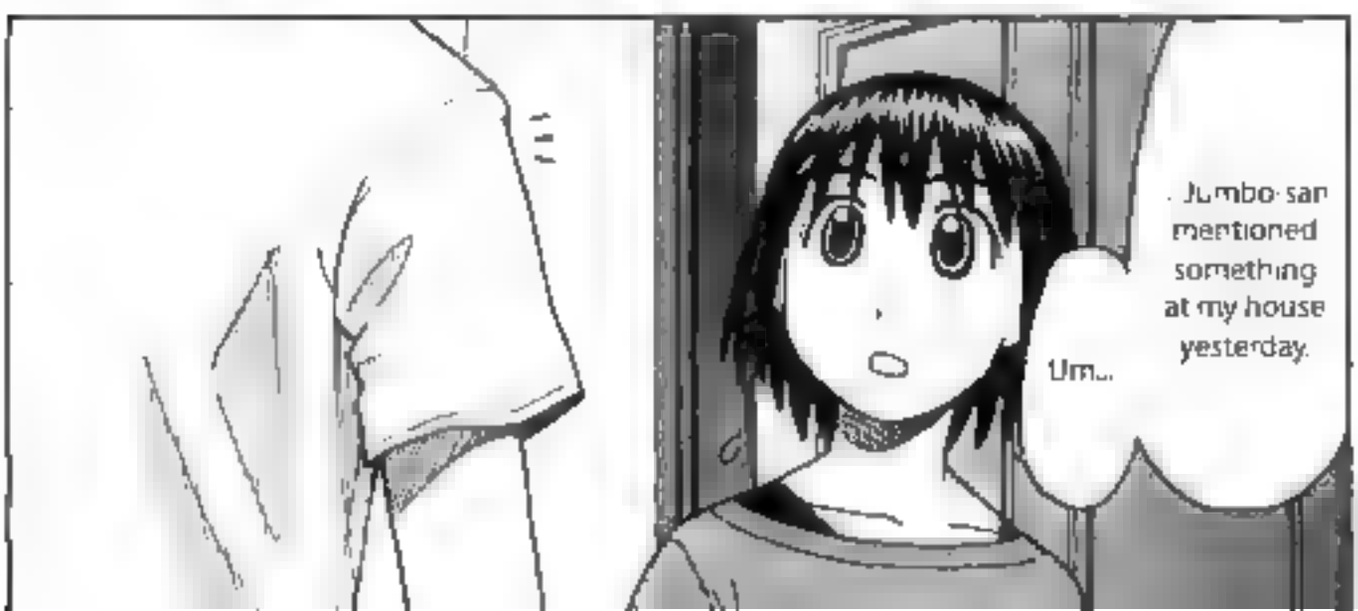
Why you...
Which is the top and which is the bottom? You'll never know

haa
fuu

Ahaha, it was fun.
Yotsuba was telling me about the stuff with the cicada from yesterday.
Sounds like she gave you a lot of trouble.

Thanks for helping with the clothes.
Oh it was nothing.



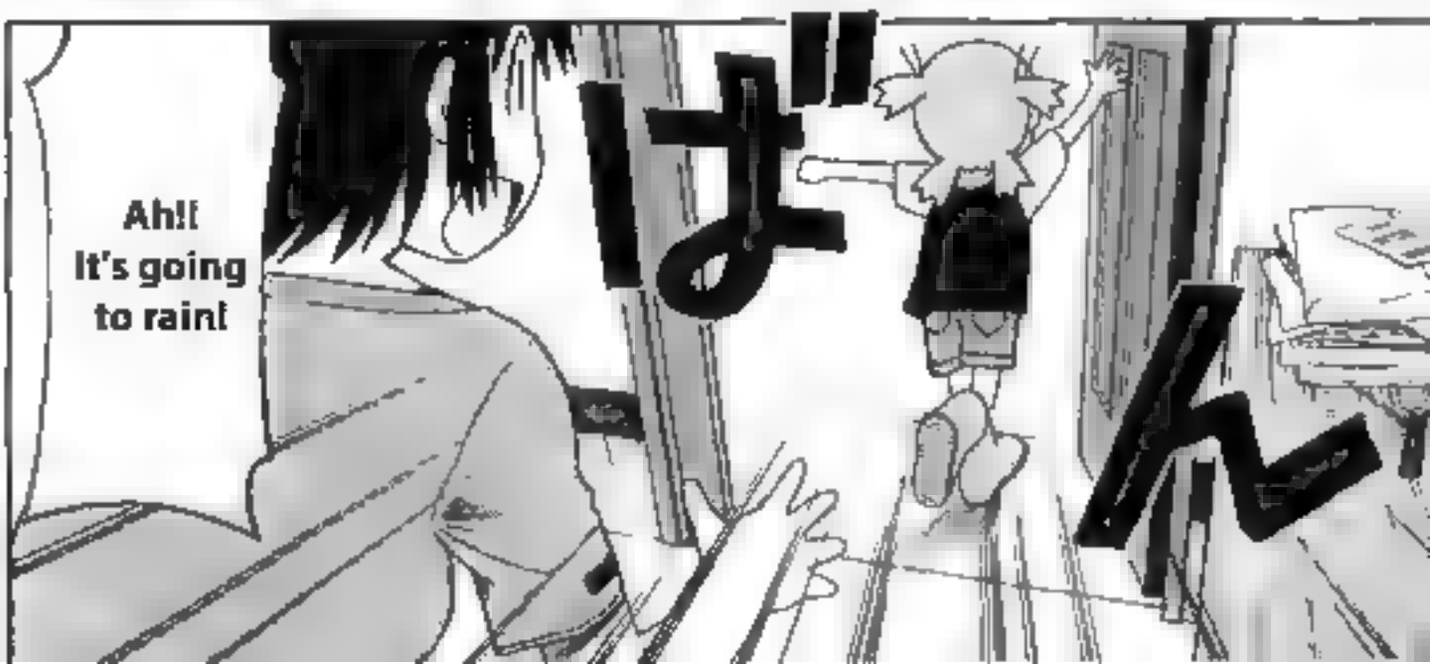
Jumbo-san mentioned something at my house yesterday.
Um...

Ahh..
He said Yotsuba-chan was an abandoned child.
To make a long story short..
Yeah..
Ahaha, I thought so..
It's best not to take him seriously.
Half of everything that guy says is a joke
ge
But the abandoned thing is true though.
What in the world...
I see..
I was raising her.
then before I knew it,
I found her in another country,

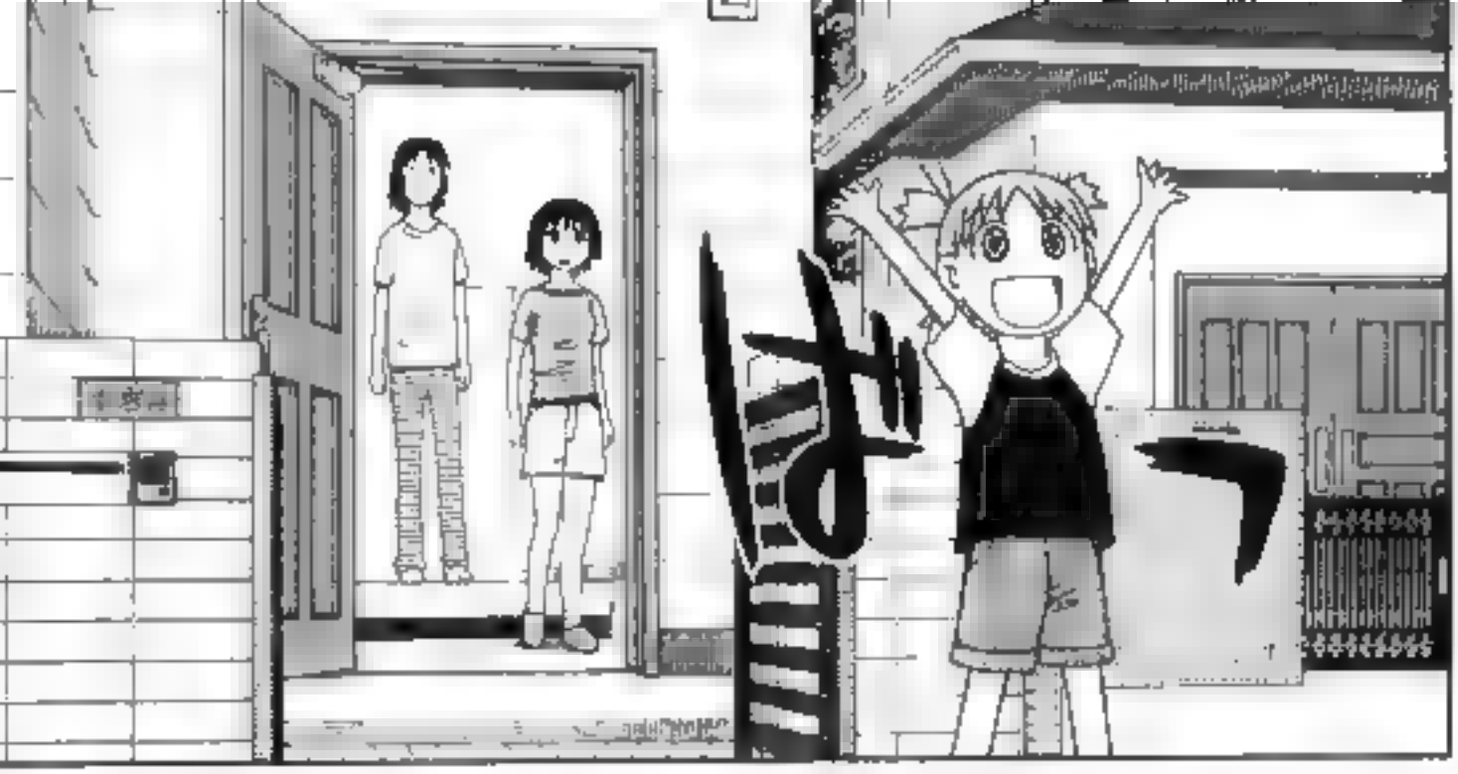
ゴロゴロゴロ
What is Yotsuba-chan then?

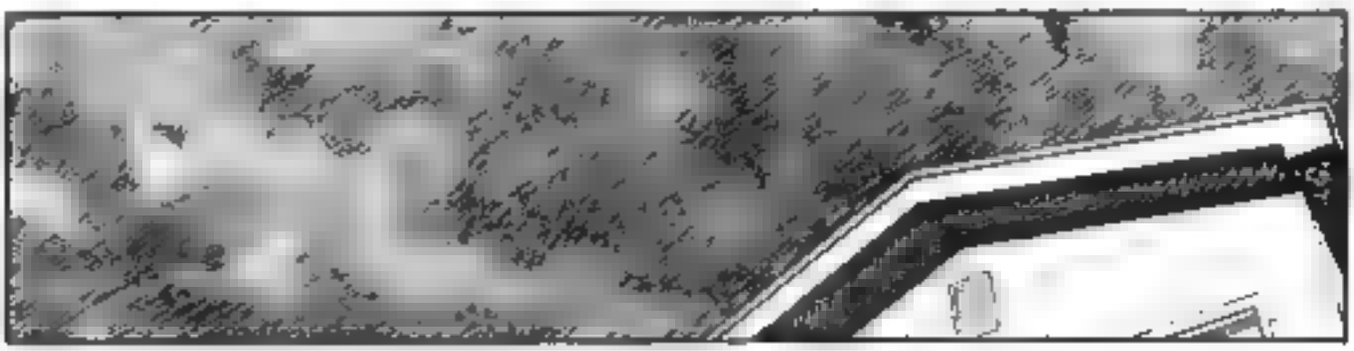
ん!!!
5

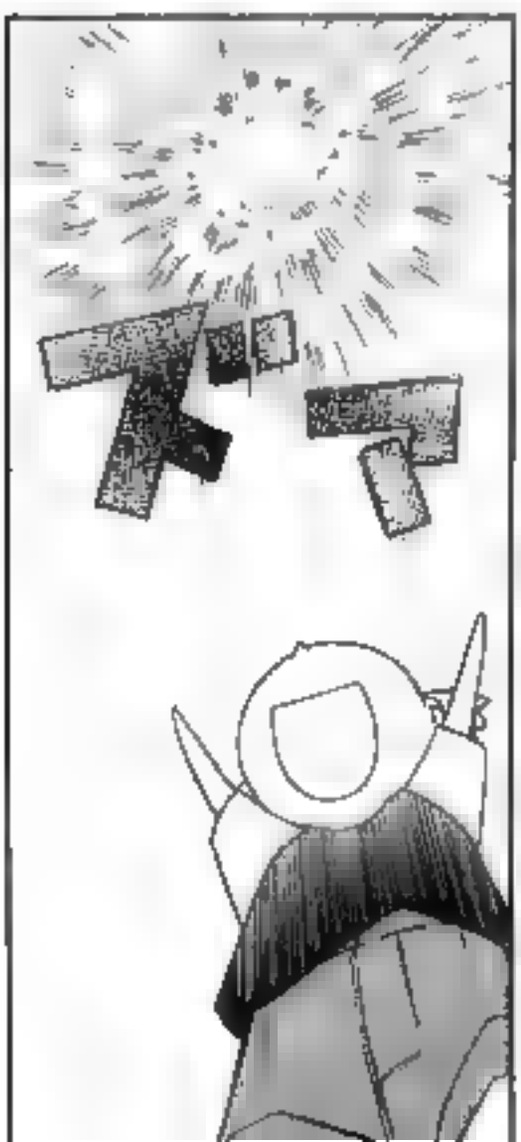
THUNDER!!

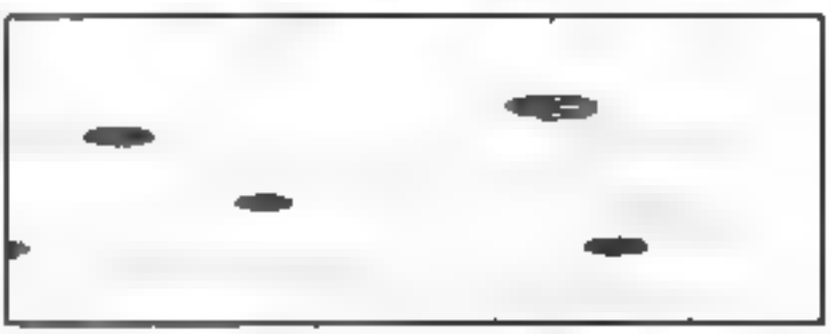


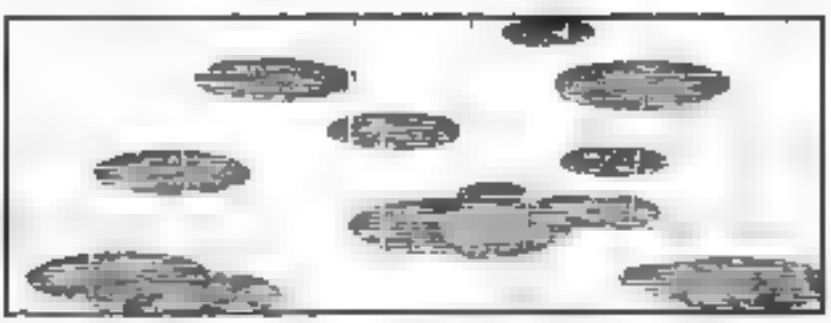
Ah!! It's going to rain!
ばーん

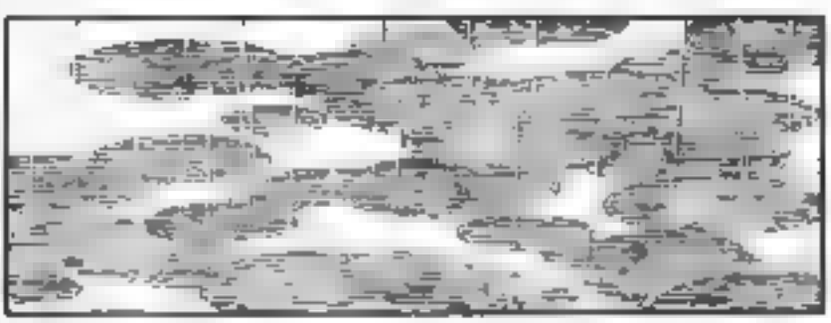












オォォ!!!

AWE-

Oooo!!

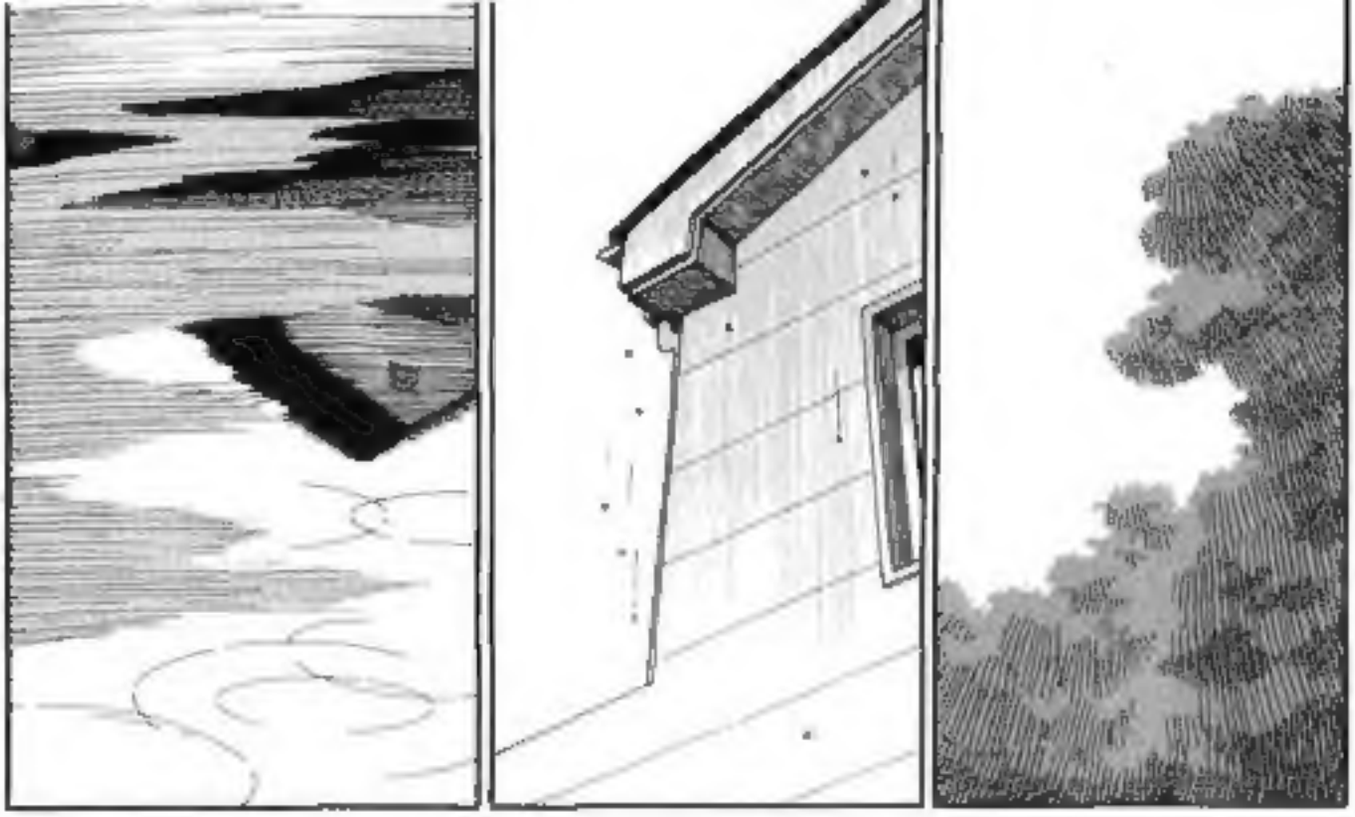
I'm fine!!
Waaaa!! You're getting soaked!
Ahaha haha

No thank you.
You come out here too Fuuka!! It's fun!!

It's ok.
My good-ness...
HYAAAA!!
HYAAAA!!

That girl's able to enjoy anything and everything.

Yotsuba is
invincible.



Yeah, but...
Well...
It would've been better if you and daddy had come out there.

All done.
Ahh, that was great.
じっぽ
じっぽ

I don't have any rain boots.
So I couldn't do it.
Oh yeah.
She understands!?
But those boots don't have any meaning to her...
It's cleared up!
